

CHECKLIST

Certification according to OEKO-TEX® ECO PASSPORT

APPLICATION DOCUMENTS

- You can download the current **OEKO-TEX® ECO PASSPORT application documents** from our homepage using the following link: www.hohenstein.com/en/oeko-tex/applications-and-standards#c43896
- Please complete all applicable fields (manufacturer or trader) and sign the declaration of commitment on pages 8 and 9.
- Please fill in and sign the Self-Assessment on pages 10 and 11.
- Please provide product-specific information, either in the product and substance list (XLS) for manufacturers or in the product list (XLS) for traders. Both files can be downloaded on page 12.
- Our product categories can be found in the annex on pages 14-19.

DECLARATION OF CONFORMITY

- You can download the current **OEKO-TEX® ECO PASSPORT declaration of conformity** from our homepage using the following link: www.hohenstein.com/en/oeko-tex/applications-and-standards#c43896
- With your signature you confirm that the quality of the current production samples corresponds to the test samples.

PROOF OF QUALITY ASSURANCE

- For externally certified management system (e.g. ISO 9000, ISO 14000, EMAS, etc.), please attach a copy of the certificate.
- For an in-house system, please give a short description in an attachment.

MATERIAL SAFETY DATA SHEET

- Please enclose the safety data sheet for each product.

CHECKLIST

Additional documents

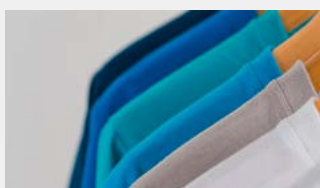

ADDITIONAL DOCUMENTS REQUIRED BY TRADERS WITH BASE CERTIFICATE

- Copy of the valid supplier OEKO-TEX® ECO PASSPORT certificate
- Bill or delivery note with purchased products
- Product list with supplier's and corresponding trader's product names (if renamed)
- Please write a legally binding declaration regarding production, with the following content, date and signature:

"We assure legally binding, that the products that are going to be certified are already certified by OEKO-TEX® and do not undergo any chemical modification, reformulation or dilution by us."

All documents can also be submitted in digital form by e-mail to the following address:
ecopassport@hohenstein.com

SAMPLES/TESTING MATERIAL

- Please submit representative product samples (50 g or 50 ml each), labelled appropriately in accordance with GHS requirements.

REPRESENTATIVE SAMPLE MATERIAL & COVER LETTER by post to:

Hohenstein Laboratories GmbH & Co. KG
Department OEKO-TEX®

(If internal correspondence exists, please insert this contact person here)
